Requirements:

1. PHP 5.3
2. MySql 5.x
3. cURL
4. PDO Driver
5. GD Library.

Installation:

Make sure **PDO driver** is enabled on your server, if not, you should ask your hosting provider activation of this driver, so that the script can work.

- 1.) Open the file **Db.php** located in the folder "**application**", with any text editor, e.g: NOTEPAD.

The screenshot shows a text editor window titled 'Db.php'. The code is as follows:

```
1 <?php
2 /*
3  * DATABASE PARAMS
4  *
5  */
6 $config = Config::singleton();
7 $config->set('dbhost', 'localhost');
8 $config->set('dbname', 'DATABASE_NAME'); //<-- DATABASE NAME
9 $config->set('dbuser', 'USER'); //<-- USER
10 $config->set('dbpass', 'PASS'); //<-- PASS
11 $config->set('dbchar', 'utf8'); //<-- NOT MODIFIED
12
13 /*
14  * DATABASE TABLES ** PLEASE NOT MODIFIED **
15  *
16  */
17 define('ADMIN_SETTINGS', 'admin_settings');
18 define('PAGES_GENERAL', 'pages_general');
19 /*
20  * SITE NAME PATH
21  *
22  */
23 define('URL_BASE', 'http://yousite.com/'); //<-- IMPORTANT: place a backslash at the end
24 ?>
```

Annotations with arrows pointing to the code:

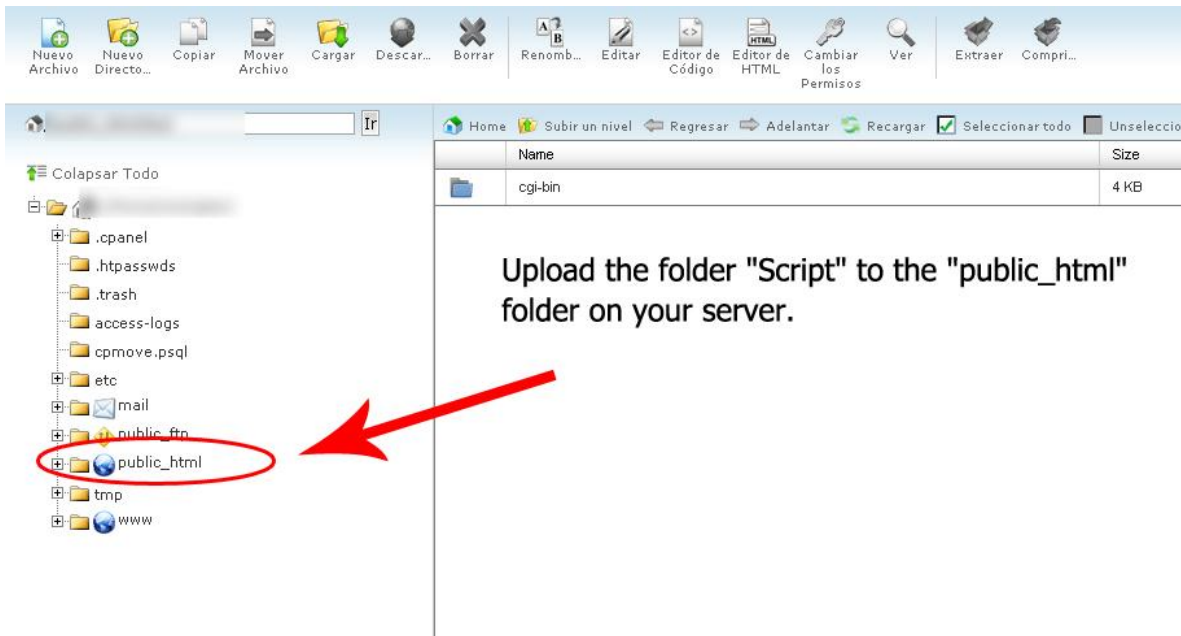

- Line 8: **DATABASE NAME E.G "Test"** pointing to 'DATABASE_NAME'.
- Line 9: **USER E.G "user_test"** pointing to 'USER'.
- Line 10: **PASS E.G "12345"** pointing to 'PASS'.
- Line 23: **SITE NAME IMPORTANT: place a backslash at the end** pointing to 'http://yousite.com/'.

<http://www.youtube.com/watch?v=Oq7OVNvjaCE>

Uploading Files:

- A.) Upload the folder "**Script**" to the "**public_html**" folder on your server.

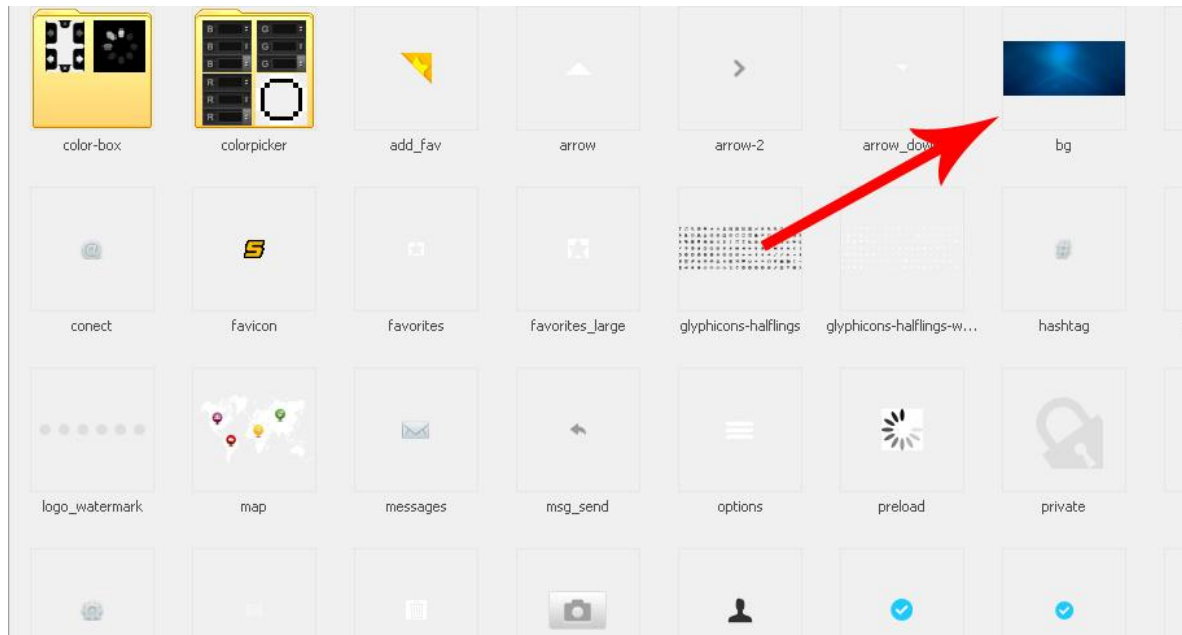

B.) Log into your **phpMyAdmin** and import the **social.sql** file located in the folder **"Mysql"** (**NOTE:** the database already must be created)

FAQ.

Q: How do I change the background of the main page

A: Select the background to change, then you should rename by **bg.jpg**, and replace it with the one located on the route "**public/img/**".

Q: How do I change the Logo

A: Go to the folder "**PSD**", open the file and edit **logo.psd** with your logo, save and replace which is located in "**/public /img/**"

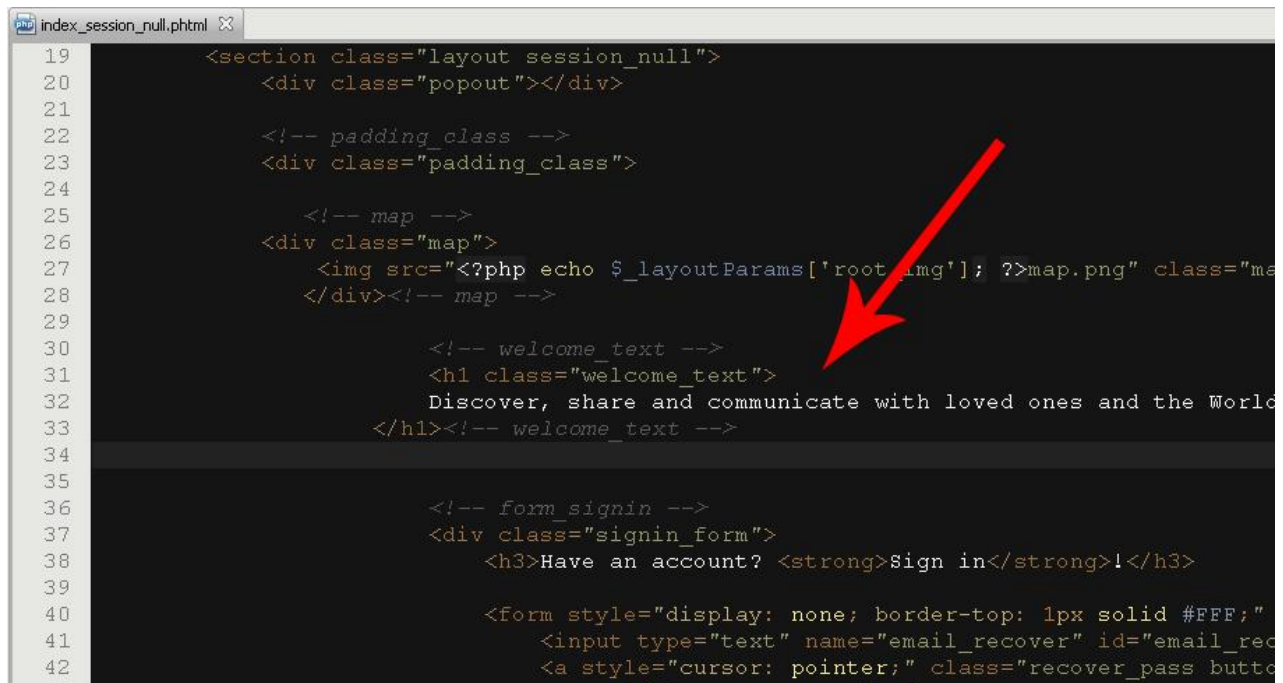

Q: How do I delete the map image on the main page

A: Go to the folder "**views/index/**" and open the file "**index_session_null.phtml**" and delete the following labels:

```
<!-- map -->
    <div class="map">
        
    </div><!-- map -->
```

Q: How do I change the welcome text on the main page

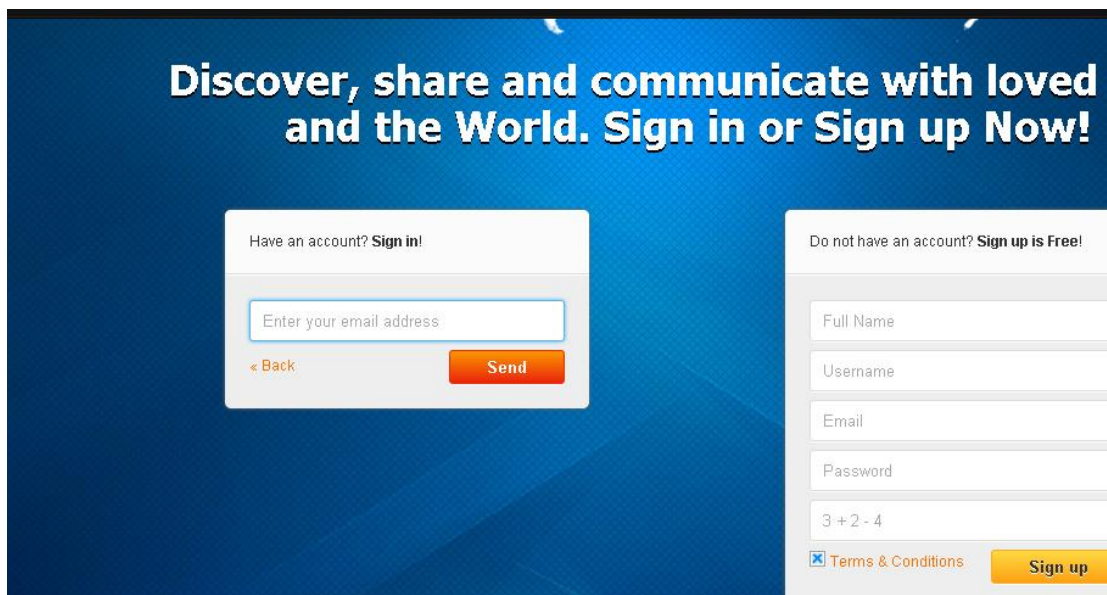

A: Go to the folder "**views/index/**" and open the file "**index_session_null.phtml**" and edit the following line.

```
19 <section class="layout_session_null">
20 <div class="popout"></div>
21
22 <!-- padding_class -->
23 <div class="padding_class">
24
25 <!-- map -->
26 <div class="map">
27 <!-- map -->
29
30 <!-- welcome_text -->
31 <h1 class="welcome_text">
32 Discover, share and communicate with loved ones and the World
33 </h1><!-- welcome_text -->
34
35
36 <!-- form_signin -->
37 <div class="signin_form">
38 <h3>Have an account? <strong>Sign in</strong>!</h3>
39
40 <form style="display: none; border-top: 1px solid #FFF;"
41 <input type="text" name="email_recover" id="email_rec
42 <a style="cursor: pointer;" class="recover_pass butto
```

Main Features.

Recover pass

Discover, share and communicate with loved ones and the World. Sign in or Sign up Now!

Have an account? **Sign in!**

[← Back](#) [Send](#)

Do not have an account? **Sign up is Free!**

3 + 2 = 4

☒ [Terms & Conditions](#) [Sign up](#)

Discover Page

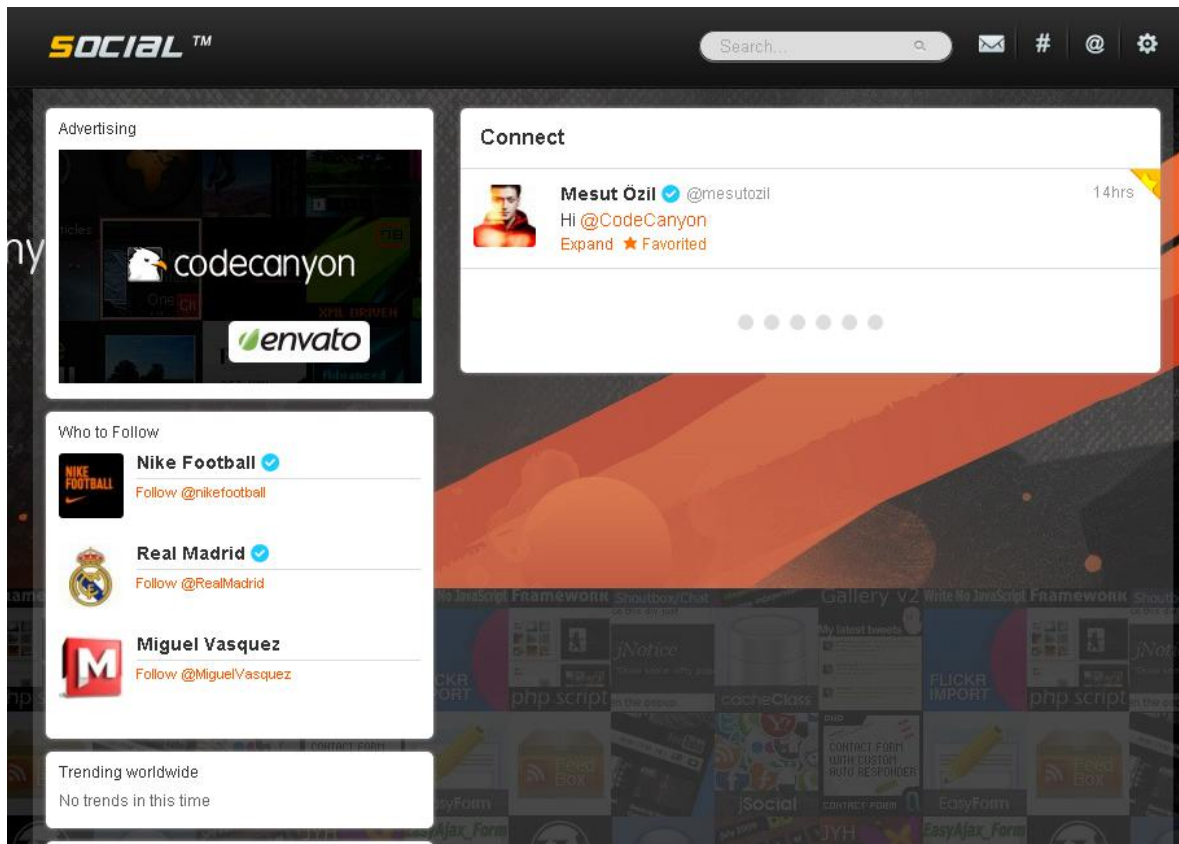

On this page you can see all the updates from users you are not following. publications will appear only users which your profile is "Public".

The screenshot displays the 'Discover' page of a social media application. The interface includes a top navigation bar with the 'SOCIAL TM' logo, a search bar, and icons for messages, hashtags, mentions, and settings. The left sidebar contains three sections: 'Advertising' with a banner for 'codecanyon' and 'envato', 'Who to Follow' with suggestions for Robert Lewandowski, Nike Football, and Ps3, and 'Trending worldwide' which currently shows no trends. The main 'Discover' feed lists several tweets:

- ESPN** (@Espn) - 4hrs: Nueva franela del #RealMadrid. Includes 'Expand Image' and 'Favorite' options.
- ESPN** (@Espn) - 15hrs: @MiguelVasquez. Includes 'Expand Image' and 'Favorite' options.
- Miguel Vasquez** (@MiguelVasquez) - 8 days: #XboxOne. Includes 'Expand' and 'Favorite' options.
- XBOX One** (@xbox_one) - 8 days: #XboxOne Follow us. Includes 'Expand' and 'Favorite' options.
- ESPN** (@Espn) - 8 days: Follow @Xbox_One #XboxOne. Includes 'Expand' and 'Favorite' options.
- ESPN** (@Espn) - 8 days: #fcBarcelona 0 - #RealMadrid 3. Includes 'Expand Image' and 'Favorite' options.
- Nike Football** (@nikefootball) - 8 days: #FollowUs @NikeFootball. Includes 'Expand' and 'Favorite' options.

Connect Page

On this page you can see when a user mentions you in a publication. publications will appear only users which your profile is "Public".

Who follows you

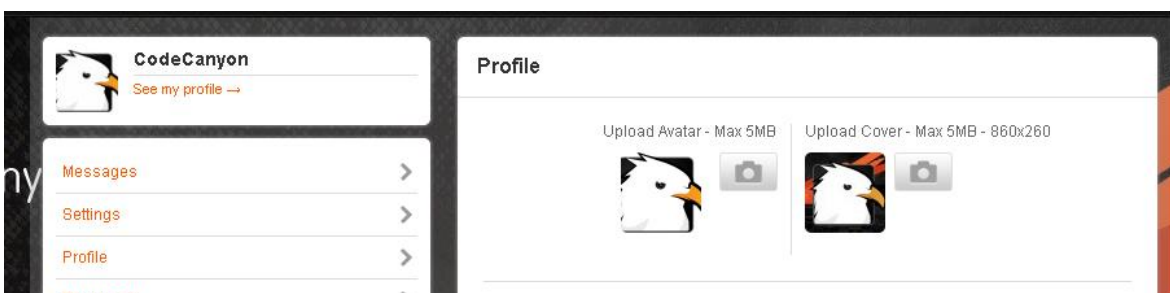

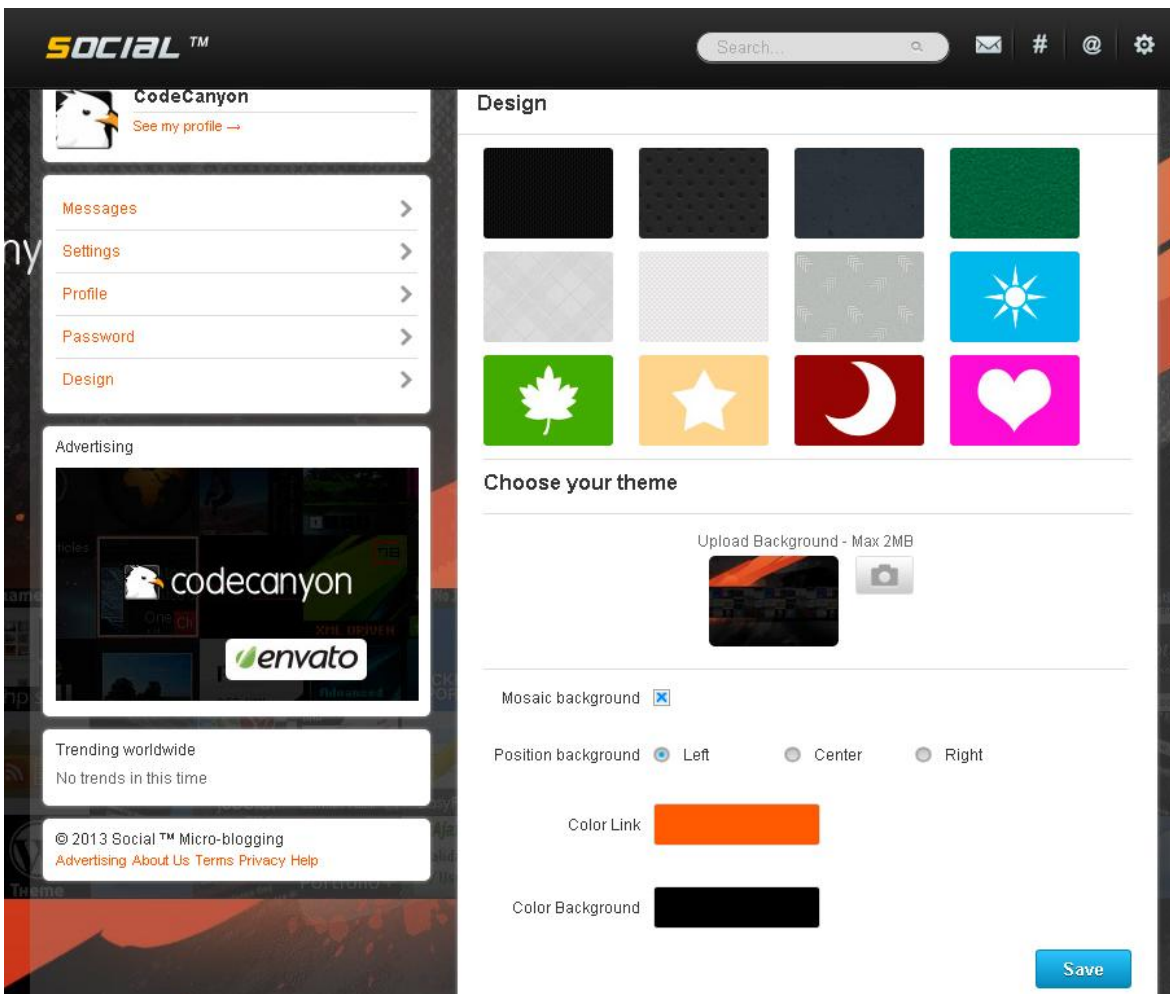

If a user is following you, you'll leave a headband next to your name and user name that says "FOLLOWS YOU".

Customize Profile

On the page "**Design**" you can customize your profile 100% style Twitter, you can change the color of the link (also change the color of the icons), the background color, upload your own background and set the position.

On the page "**Profile**" you can upload an avatar and a cover for your profile.

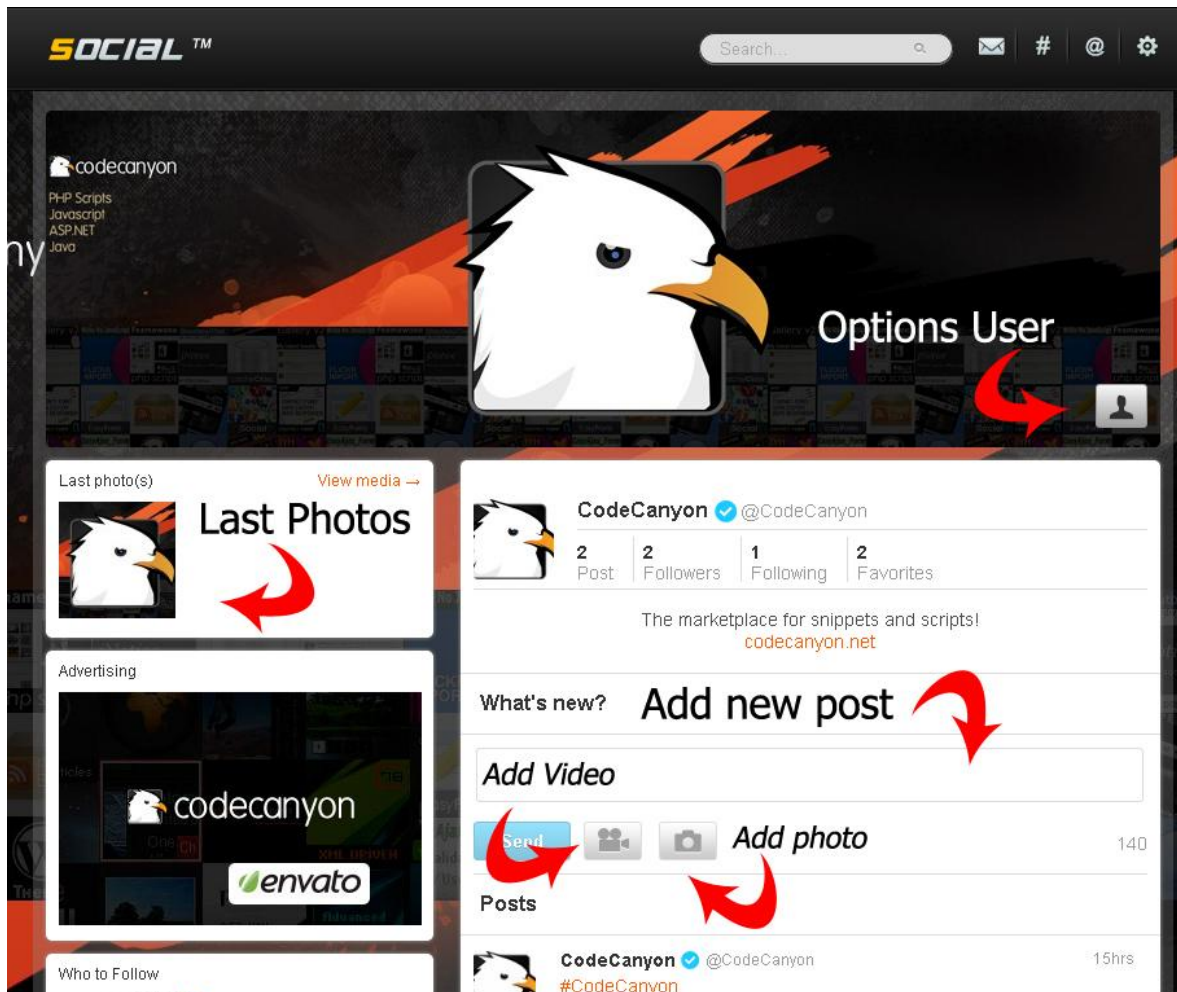

Messages

On page "Messages" you can see the messages sent and received. clicking on the message you can see the complete conversion.

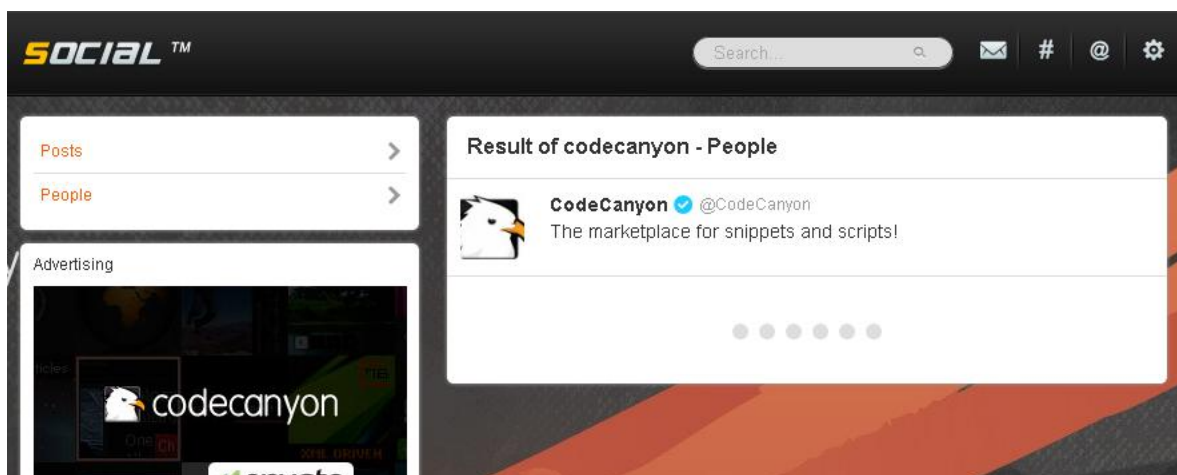

Profile user

From the user's profile page, you can add new publications, access to other sections such as Edit Profile, Media, Design, Settings and see other sections as, Followers, who follows and favorites.

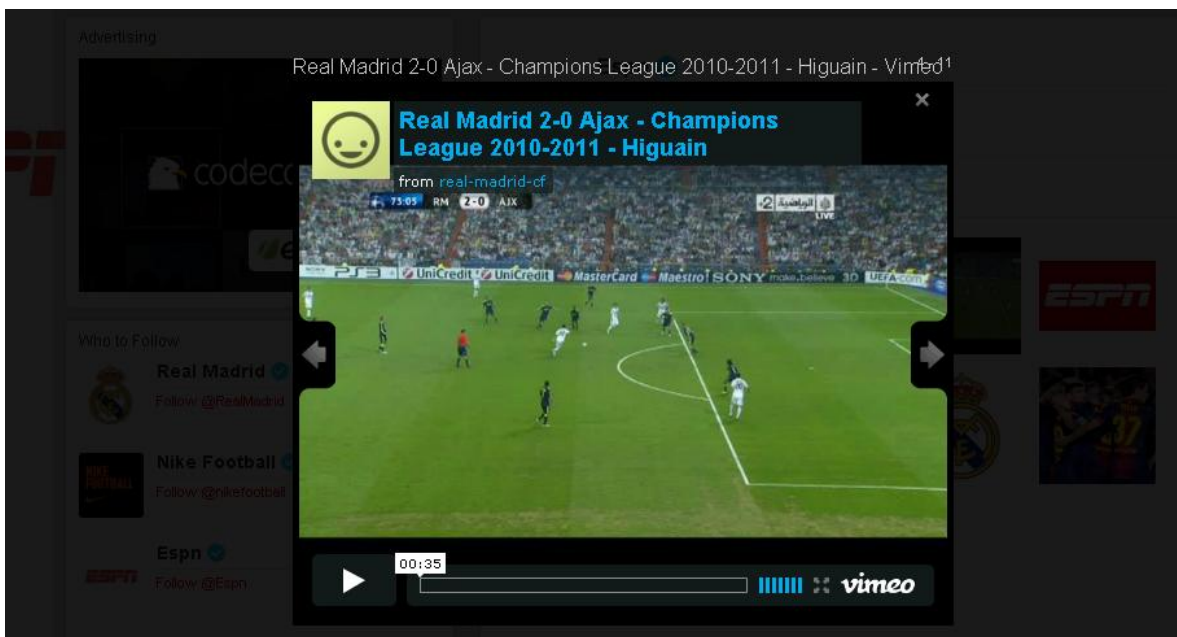

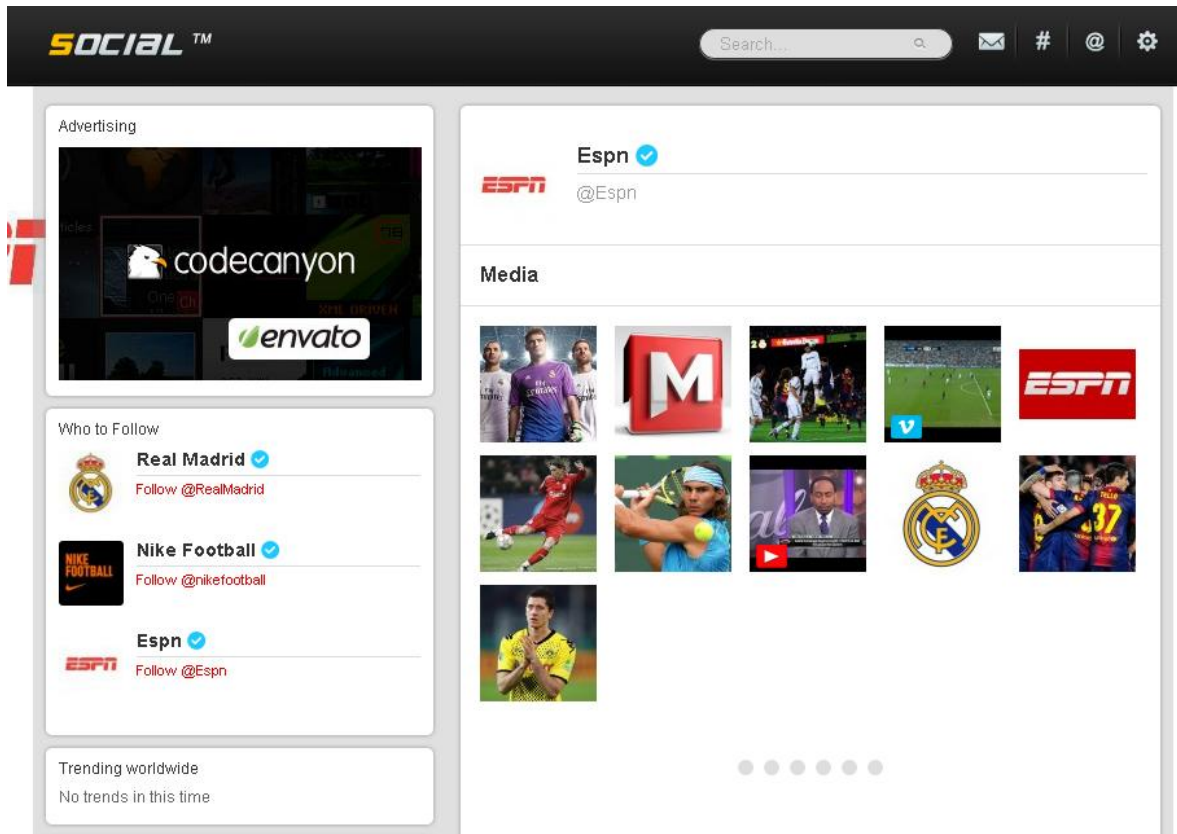

Search posts and users

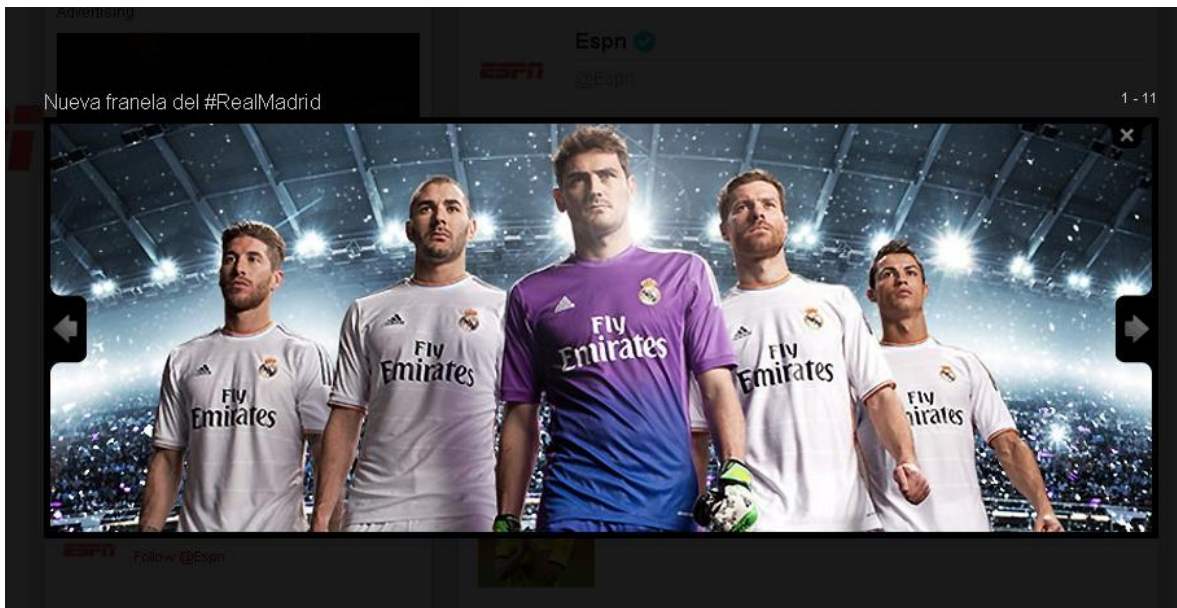

If the user who has posted, have profile as public, appear in the results of searches. If a user searches for "Codecanyon" seek all publications containing "Codecanyon" and users, that your name, biography or user name matches the search.

Photos and Videos “Media”

On page "Media" can see all the pictures and videos the user has uploaded, by clicking on the thumbnails, you can see the video or photo through the gallery ColorBox, at the bottom left of the thumbnails, appears icon page the video, Vimeo or Youtube.

Sources and Credits

I've used the following files as listed.

- 1.) Placeholder Plugin jquery.placeholder.1.1.1.min.js // Mike Taylor, <http://miketaylr.com>
- 2.) Char Count count.js // Alen Grakalic
- 3.) jquery Form //
- 4.) jqueryTimeago.js // <http://timeago.yarp.com/>
- 5.) jquery.scroll.js // <http://andersonferminiano.com/jqueryscrollpagination/>
- 6.) colorpicker.js // Stefan Petre www.eyecon.ro
- 7.) jquery.colorbox.js // Jack Moore - <http://www.jacklmoore.com/colorbox>
- 8.) jquery.dataTables.js // Allan Jardine (www.sprymedia.co.uk) // www.datatables.net

Once again, thank you so much for purchasing this script. As I said at the beginning, I'd be glad to help you if you have any questions relating to this theme. No guarantees, but I'll do my best to assist. If you have a more general question relating to the themes on CodeCanyon, you might consider visiting the forums and asking your question in the "Item Discussion" section.

Thanks so much!
