

UPDATE v3.0

“PHP Social Microblogging”

By Miguel Vasquez

- Optimized SQL queries (Problem of slowness)

Files Affected

- / **models** / UserModel.php
- / **controllers** / indexController.php
- / **controllers** / pagesController.php
- / **controllers** / userController.php
- / **public** / **ajax** / profile_summary.php
- / **views** / **user** / profile.phtml
- / **class_ajax_request** / classAjax.php

Thanks!
